WWW.HOLIHOONMEDIA.COM

PROFILE

Holihoon Media LLC owns, manages, and provides content to its portfolio of digital multimedia and print platforms focusing on topics such as travel, lifestyle, men's fashion, real estate, modern and themed design, transportation, and more. Founded by J. Daniel Jenkins, a licensed Architect and former Walt Disney Imagineer, Holihoon Media is fueled by Jenkins' decades long passion for travel, photography, and exploration. Jenkins is also Vice President at Kimco Multimedia, Inc. with whom Holihoon Media partners with for travel, outdoor adventure, and other focused content.

J. Daniel Jenkins

President | Owner | Editor

Jenkins found his digital multimedia company, Holihoon Media LLC, by combining several niche websites he created and managed, while completing 25 years of accomplishments as a licensed Architect and design subject matter consultant in the A&E Commercial and Themed Entertainment industry. As President, Jenkins is leveraging his extensive knowledge of modern design, years of personal travel, and senior leadership experience running multi-million-dollar project teams for Fortune 100 companies, private clients, and investment groups.
